Dear Colonel Monette:

Thank you for your donation to the Commemorative Air Force (CAF) in support of the N30U Aero Commander 560-A "Ike's Bird". Your generosity is helping to preserve history through the restoration of our historic WWII aircraft and educate future generations of Americans on the value of military aviation in assuring our nation's freedom.

The CAF began 60 years ago with a small group of pilots and a single plane. Today, that small group has grown into thousands of caring supporters, and I'm delighted that you are one of them. Thank you for sharing our commitment to educate, inspire, and honor through flight and living history experiences

You help make it possible for Americans of all ages to experience our flying classrooms first hand. Thank you!

Sincerely,

Henry "Hank" Coates  
President / CEO
